3.1 General Principles

Bordesley Multi Academy Trust is a charitable trust regulated by the DfE. As a multi academy trust Members, Trustees, and Local Governors of the Trust have different but complementary roles, responsibilities and duties within the Trust to safeguard the Trust's financial resources, ensure public money is well spent, and avoid real or perceived conflicts of interest.

The Chief Executive Officer (CEO) of the Trust is the Trust's Accounting Officer and as such is personally responsible to parliament for ensuring regularity, propriety, and value for money in the use of the Trust's funding. The CEO is supported in this by Trust's Officers and the Headteachers of the individual Schools.

The Trust's Board of Trustees, whilst remaining responsible for the proper use of the Trust's funding, is committed to ensuring schools in the Trust should be as autonomous as possible, have as much freedom as possible, and have maximum delegation of responsibility and decision making in the use of their budget, subject to the Trust's risk assessment of each school's financial position and adherence to the Trust's policies and procedures.

The Trust operates in line with its Articles of Association, its Funding Agreement, advice from the Department for Education, and guidance from the Education and Skills Funding Agency. Members, Trustees, Local Governors and all Employees are expected to carry out their roles and responsibilities in line with the Code of Practice for Members, Trustees and Local Governors and the Code of Conduct for Employees and to always act in the best interest of the Trust.
